Question	Answer	Score
Tell me about yourself.	"Good evening, sir/madam. I'm Ashritha, a final-year B.Tech CSE student. I have knowledge of Python, HTML, and CSS, and I'm working on an AI Mock Interview project. I am a quick learner with good communication skills, and I enjoy learning new things. I'm excited about this HR internship because I want to gain real-world experience and develop my professional skills. Thank you."	10/10
Why do you want this job?	I want this job because it gives me an opportunity to learn, gain practical experience, and improve my communication and professional skills. I am eager to work with the HR team, learn from experienced professionals, and contribute to the company	10/10
What are your strengths?	good communication skills,time management	4/10
Describe a challenging situation you faced.	"During a college project, our team had different ideas and it was difficult to decide how to proceed. We discussed everyone's suggestions, divided the work based on our strengths, and communicated regularly. We completed the project on time. This experience taught me the importance of teamwork, communication, and cooperation."	10/10
Why should we hire you?	You should hire me because I am enthusiastic, willing to learn, and ready to work hard. I have good communication skills, I adapt quickly, and I am committed to giving my best in every task. I believe I can be a valuable member of your team."	10/10
